Your & Peggy get off this
afternoon late & sail about
6.30. Now back on the America,
a seven day trip.

I hope the Labb Cap of Reg
back on the Declaration of Human
Rights will be done tomorrow
& that we get it through the
General Assembly already settled
with the required 2/3 vote. The Charter

 As the whole I think it's good as a
 declaration of rights which all men
 may respect & which we should try
 to achieve. It has no legal value but
 should carry moral weight.

I've just had a request from
 Pauline Lohr & they are looking for
 all wool minor suits - but they
 don't grow & all wool is unknown
 here. You get poor materials as a

My dear Robert

Your message has just come

and I am glad to hear of your

return to the States

and hope you will find

everything well and happy

and that you will find the

taken lately.

Anna's presence will be with us for some
as she is coming for 2 weeks to do some extra
work with me - They all will be with us some of you

I must go to work with the President
of France & that is to be expected. The
