B-5 1. N.E. BARANOVSKI is reportedly head of all White Russians working for "American Intelligence" in Bavaria.

Amzon Comment: In [] BARANOVSKI was reported as a Russian emigrant, who claims to be in the employ of a U.S. Intelligence agency operating out of USFET in Frankfurt.

B-3 2. Employed by "American Technical Intelligence", and working under BARANOVSKI is General GLAZENAP.

3. Mikhail RUMYANTSOV of Munich offered TUKHOLNIKOV an opportunity to work for the "American Intelligence" headed by General GLAZENAP. This "intelligence" agency is operating under cover of a German firm called "Industrial Help"; RUMYANTSOV produced documents showing that he is employed by this firm.

C-6 4. The objective of this "intelligence" agency, according to RUMYANTSOV, is to establish intelligence chains reaching into Minsk, Belorussian SSR and to contact partisan forces reportedly operating there.

Amzon Comment: In [] info date-October 1946, one of the key men in Germany of a world wide White Russian organization is reported to be Colonel Nicolas RURIANTZEV, with a group of 18 men. His address is given as D.P. Lager, Feldmoching bei Munchen.
