ADOLF EICHMANN
INTERNAL SECURITY - ISRAEL

On August 4, 1960, an informant, who has furnished reliable information in the past, advised that a representative of the International Press Service reported the German Embassy had called in a few newspapers on August 4, 1960, for the benefit of meeting a Mr. Erwin Schueler, the Director of the Central Headquarters of Judicial Authority for Clarification of Nazi crimes.

The press representative noted that Schueler was working on some projects here in the United States and it was revealed at the press conference that Schueler had found, while working in the War Records Center, the complete file relating to Eichmann's office.

According to recent newspaper accounts, Adolf Eichmann is presently in custody in Israel where he is being charged with the crime of killing 6,000,000 Jews during the Hitler regime in Germany.

That the German government has been very cooperative in the Eichmann case.

The press representative also noted that Schueler had mentioned an organization in Israel, the Yad Vechem, which collects all available information on Nazi criminals still at large, as having a part in the locating of Eichmann.

Re: ADOLF RICHMAN

(S)

was of the opinion that this organization had a great deal to do with Richman's capture. The director of Yad Yeshen is one Mr. Kibori (Phonetic), the former Israeli Ambassador to Argentina. Also, Tania Friedman, who was recently in the United States and who was said to be responsible for Richman's location, was also very active in the organization which is operated by the Jewish Agency (formerly the Jewish Agency for Palestine).

The position of Washington, D.C., was obtained from the June, 1960 issue of the "Diplomatic list" published by the United States Department of State.
