Karen,

I was given your number and eml address by Dr. Crabb of Laurinburg, North Carolina at Scotland County Schools Office. We applied for and did not receive the SSHS Grant. We are requesting copies of the grant proposals that received awards of \$1,000,000 or less, which is the award category our grant was written for.

Dr. Crabb mentioned you had permission to send out copies of the Scotland County Schools grant proposal and we would like one. She also suggested you may be able to send some of the others we are requesting. Any help you could give would be greatly appreciated. Here is list of the grants we would like copies of:

City and Borough of Juneau School District Juneau, Alaska	\$970,730
Wheeler County Board of Education Alamo, Georgia	\$953,182
Allamakee Community School District Waukon, Iowa	\$946,919
Cabool R-IV School District Cabool, Missouri	\$957,540
Scotland County Schools	\$947,980

Laurinburg, North Carolina

Sandusky City Schools \$915,288  
Sandusky, Ohio

Chester County School District \$956,753  
Chester, South Carolina

Clarendon County School District Two \$954,017  
Manning, South Carolina

(We are already receiving a copy of the Crawfordsville Community School Corporation grant, Crawfordsville, Indiana, \$953,195.)

We would appreciate copies of as many of these grant proposals as you are able to send to us. Please let me know if there are any you are not able to send.
