[REAGAN DIARY ENTRY ]

Monday, March 4 [ 1985]

Fred Fielding, Don Regan & Mike D. came in to see me about the Arabina Horses that King Fahd wanted to give me. I had stated I couldn't accept them as a gift -- due to our stupid regulations. As it stands they are now in Prince Bandar's (Ambas.) name & he has asked Bill Clark to take care of them for him. Now what happens 4 yrs. from now is anyone's guess.
