* All figures shown with * are dates and figures that differ from the standard methodology.

VET, EDU, GSA - Agencies reported no record of receiving original request in 9/02, and therefore did not begin processing until a later date. EDU request was resent on 1-27-03, GSA (request resent by way of appeal) 1-28-03, VET request resent 2-28-03. The initial requests sent in 9/02 were sent to confirmed agency fax numbers and received a positive receipt of transaction, however for unknown reasons were never entered into the agencies' tracking systems.

SSA - Request was re-faxed on 1-28-03 due to a National Security Archive error while sending the original 9/02 fax.
