 HHS-OASPA-FOI

Dear Ms. Diggs:

At the request of Ms. Judy Holtz, OIG Public Affairs Officer, we are submitting the following Freedom of Information Act request.

We are hereby requesting an electronic copy, delivered via e-mail, of all of the e-mail addresses (nothing else) that are contained in the distribution list for the OIG news announcements.

If you have a question on this request, Ms. Holtz will know what we are talking about. We have already waited several months for this request to be fulfilled, and Ms. Holtz felt it advisable to go ahead and have us submit an FOI.

Please be advised that approx. 1 year ago, we were previously granted permission for the same such request, and provided with a copy of these e-mail addresses. Thus, this request is for a copy of the newest version of the OIG e-mail distribution list.

The e-mail addresses can either be pasted into an e-mail message to me, or e-mailed as a file attachment, in MS Word. FYI, we are a tiny company, so any waiving of fees would be greatly appreciated.

Thank you in advance for your kind assistance.

Sincerely,

  
 Dave Anast
