Subject: Request for information

To Whom it May Concern:

I am currently conducting a research on SBA, specifically its SBDC program.

I would like to obtain information in regards to its cooperative agreement with various organizations in establishing a SBDC Lead Center and also the organizations response to SBA's request for proposal for a Lead Center

I have an SBA document number if that helps: 7770-95-77700-4130.

Please let me know how I can obtain such documents.

Thank you for your assistance.

Sincerely,

Chung Wong
