ATTENTION: [REDACTED]

FROM: Chief, CIA/PID (NPIC)

SUBJECT: Search for Possible Underground Guided Missile Factory at
Chieh Tsao Ping (North of Tai Yuan), ChinaREFERENCE: (a) Requirement OSI/136/63
(b) CIA/PID Project C 484-63

1. This memorandum is in response to your requirement dated 15 April 1963 requesting another search of the area north of Tai Yuan for possible identification of the ammo and explosives plant at 37-59N 112-33E with the reported SAM manufacturing plant.

25X1

2. A review of [REDACTED] which has 100 percent clear coverage of the Tai Yuan area, enabled the analyst to positively identify the ammo and explosives plant and storage facilities. However, it could not be determined that a solid propellant plant exists in the complex. Also, a study of the surrounding area was accomplished with the result that it could not be determined from photography that an underground guided missile factory exists in this area.
