

AmeriCorps Matching Award

Please submit this completed application to gradfell@gwu.edu with confirmation of your award* information from AmeriCorps before the start of the Fall or Spring semester. (Not applicable for Summer Sessions.) This award is not applicable for study at the Milken Institute School of Public Health, the GW School of Medicine and Health Sciences, the GW Law School, or the GW School of Nursing.

1. Please review the following carefully. Email gradfell@gwu.edu or call 202-994-6822 with any questions.

- To be eligible for the AmeriCorps Matching Award, you must be a current or incoming graduate student at the George Washington University. You must submit your completed AmeriCorps application to the Office of Graduate Student Assistantships and Fellowships (OGSAF) before the start of the semester you are applying for matching funds. Applications that do not contain supporting documentation of AmeriCorps funds and payment request information will not be considered.
- OGSAF can only match AmeriCorps funds that do not exceed tuition need. Matching awards do not cover fees.
- AmeriCorps releases their tuition payments in two transactions during the semester. Our office can only match funds that have posted to your student account. It is your responsibility to contact OGSAF when the AmeriCorps award is on your student account so that we may process your matching award.
- AmeriCorps distributes their awards independent of GW's academic calendar. It is therefore your responsibility to make sure that your account is not delinquent.

2. Applicant Information:

Name:

GWID :

Email Address:

Current Student

Incoming Student

School:

Degree Program:
