Prominent global policy expert Ian Bremmer calls for a complete rethinking of America’s role in tomorrow’s world. In an increasingly volatile international environment, the question has never been more important. Bremmer explores three choices, each with its own benefits and drawbacks: Independent America, Moneyball America, or Indispensable America. In that context, what is the future of US-Russia relations?

The author will give out and sign 100 complimentary copies of his latest books on a first come, first served basis.

**Tuesday, October 6, 2015**
12:30pm-2pm
State Room, 7th floor
1957 E Street, NW
